

# THE LIVING URN<sup>®</sup> COLLECTION

# grow a **LIVING MEMORY**®

## WHAT IS THE LIVING URN®?

The Living Urn® is America's first and leading Bio Urn & Planting System designed to grow a beautiful, enduring memory tree, plant, or flowers with cremated remains! Honor a loved one when they pass on and celebrate and commemorate all they've given us - the joy, the companionship, the love - and keep their memory present in our lives! Give back and grow a living memory with The Living Urn®...

### WHAT'S INCLUDED?

- ◆ Our Patented BioUrn®
- ◆ RootProtect®, Our Proprietary Soil Additive (counters natural properties of cremated remains that can make growing environment hard on a young tree)
- ◆ Aged Wood Chips
- ◆ Beautiful Handmade Bamboo Planting Urn Case
- ◆ Planting Instructions
- ◆ Voucher for a young tree of choice (~2 to 4 foot, depending on tree) from our award winning nursery

## WE'VE SPENT YEARS WORKING WITH LEADING SOIL SCIENTISTS AND ARBORISTS TO DEVELOP THE MOST ADVANCED BIO URN AND PLANTING SYSTEM ON THE MARKET TODAY...

Place your loved one's cremated remains in the BioUrn® and add RootProtect®, Our Proprietary Soil Additive on top. Next, place the young tree, add soil and plant it in the ground. A beautiful, enduring living memorial will then grow up from the urn and the cremated remains to keep your loved one's memory present in your life!

PATENTED INNOVATION - U.S. PATENT NO. 10,123,926 & NO. 10,376,435

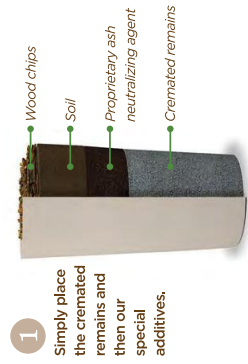

we offer about **30** different beautiful tree options

for each geographic area in the U.S. (based on Zip) so families are sure to plant a tree well suited for their specific location!

## ADVANTAGES & FEATURES

- ◆ All-In-One System
- ◆ Patented Innovation
- ◆ Advantageous Product Design
- ◆ Leading choice for funeral homes and families
- ◆ Only product in the world designed for young trees - NOT seeds

# grow a living memory® INDOORS

## WHAT IS THE LIVING URN® /INDOORS?

The Living Urn® Indoors provides families with a way to grow a beautiful living memory tree or plant indoors, or on a patio, from our attractive, proprietary urn holding the cremated remains of a loved one. The urn is made from porcelain, comes in three colors (white, blue, and yellow), and measures approximately 9" high and 9" in diameter. Inside is a special compartment to hold your loved one's cremated remains, our proprietary growing system of interlocking ring trays, and accessories to assist in the planting process.

### WHAT'S INCLUDED?

- ◆ The Patented Porcelain Urn
- ◆ Growing Medium
- ◆ Planting Instructions
- ◆ Bonsai Tree of Choice

### ADVANTAGES

- ◆ Advantageous Product Design & Functionality
- ◆ All-in-One System
- ◆ Can be Grown Indoors or on a Patio
- ◆ Choose From Six Different Bonsai Tree Options We Offer, or Plant with a House Plant

### HOW DOES IT WORK?

The Living Urn® Indoors has a special separated outer chamber to hold and securely contain the cremated remains. The inner chambers hold the Bonsai Tree, or house plant, and growing medium. Instructions are provided to distribute a small amount of cremated remains into the growing medium. All a family has to do is choose their tree or plant that they wish to place inside and follow the step-by-step instructions provided!
